#### ANSONIANS FROM THE GRAHAM. VILLE AND CONNOR COUN-TRY.

special cor. Ocala Banner:

Come spend a few minutes with me, friends and let me tell you what is roing on in the Grahamville and Connor country and about our country cousins there.

Naturally, Ocala, and all Marion county, acknowledge that the Port-of-Connor-on-the-Ocklawaha, is "the picnic grounds in Marion's commonwealth.

Nature, (bless her) shaped Connor as to be "the-e" picnic place of all places, now, and so it is, and we might safely add, ever will be.

And many merry occasions have been indulged in under the spreading oaks on the banks of the raging Oklawaha river at Connor, near Pat. Randall's famous orange grove, by Floridia people far and wide.

The last picnic at Connor was on list Friday and was composed of a mch of young people from Ocala, pader the chaperonage of Mrs. C. C. · arroll.

Those in the bunch were the following: Misses Edna Williams, Sue Anderson, Thurber Gore, Anna Mixon, Alice Bullock and Berenice A! fred.
